DETAILED ACTION

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-14 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by both the apparatus and process of making of either Yoshioka et al. (2002/0059920) or Sakakibara et al. (2002/0029693).

3. The remaining references listed on the PTO-892 and those cited on the PTO-1449 show art of interest.

4. Applicants' response to this Office action should also include the following editorial change: page 1, line 26, "reoved" should be "removed".
